Summary

A driven and collaborative software developer from UCF Full-Stack Coding Bootcamp with intensive training and hands-on project experience. Proficient in HTML, CSS, JavaScript, third-party APIs, Progressive Web Applications, MySQL, API design, and the MERN stack. I excel at learning new technologies and resolving complex technical issues, meeting deadlines and delivering high-quality web applications, as part of a team or independently.

Technical Skills

Frontend: HTML, CSS, JavaScript, JQuery, Bootstrap, Material UI, React

Backend: APIs, Node, Express, PostgreSQL, MongoDB, GraphQL

Other Platforms: VS Code, GitHub, Visme, Insomnia

Projects

Cosmic Quest

Role: Contributor

 <https://github.com/mandi7469/Cosmic-Quest>  <https://cosmic-quest.onrender.com/>

- Text-based Sci Fi Video game using restful API. Featuring background audio and text-to-speech audio
- MongoDB, Express, React, Node

Book Search Engine

Role: Independent

 <https://github.com/mandi7469/Book-Search-Engine>  <https://book-search-engine-za4z.onrender.com/>

- An application that was a fully functioning Google Books API search engine built with RESTful API and the MERN stack, refactored to be a GraphQL API built with Apollo Server
- MERN Stack, GraphQL, Google Books API

Shelfie

Role: Contributor

 <https://github.com/mandi7469/Shelfie>  <https://shelfie-53sl.onrender.com/>

- An application that allows the user to search for books they have read, or wish to read in the future and add to a collection. Accessibility features included.
- Handlebars, Express, Node, PostgreSQL, API

Weather Dashboard

Role: Independent

 <https://github.com/mandi7469/Weather-Dashboard>  <https://mandi7469.github.io/Weather-Dashboard/>

- An application that retrieves current and future weather conditions from a third party API and renders it on the page
- API, JavaScript, HTML, CSS

Text-Editor

Role: Independent

 <https://github.com/mandi7469/PWA-Text-Editor>  <https://pwa-text-editor-y5zq.onrender.com/>

- Single-page text editor application (notes or code snippets) that runs in the browser and can function offline with a downloadable install feature
- JavaScript, Express, Webpack, Babel, CodeMirror

Work Experience

American Traveler Staffing Professionals

2022-2024

Credentialing Specialist

Boca Raton, FL

- Collaborated with over 100 healthcare providers to gather necessary information for accurate credentialing decisions.
- Managed multiple priorities effectively, resulting in the on-time completion of credentialing tasks for numerous providers simultaneously.
- Conducted audits of provider files, ensuring all necessary documents were up-to-date and compliant with regulatory requirements.
- Demonstrated excellent problem-solving skills when confronted with complex issues or discrepancies during the credentialing process.
- Provided exceptional customer service to both internal and external stakeholders, addressing inquiries promptly and professionally.

Minerley Fein P.A.

2021-2022

Legal Assistant

Boca Raton, FL

- Facilitated timely resolution of legal and administrative matters for 4 attorneys and 2 paralegals.
- Drafted accurate and persuasive legal correspondence, contributing to successful negotiations and settlements.
- Improved communication between attorneys and clients by scheduling meetings, court appearances, providing status updates, and relaying critical information promptly.
- Conducted comprehensive legal research using various resources such as online databases, law libraries, or government agencies to draft and prepare legal documents.
- Performed notary public duties.

Helbing Law Group

2018-2020

Account Manager

Boca Raton, FL

- Managed over 100 portfolio accounts, ensuring timely communication, support and guidance.
- Successfully resolved escalated issues, preventing potential loss of valuable clients while maintaining positive relationships with all parties involved.
- Onboarded and negotiated contract terms with new clients, gathered financial information and necessary documentation to finalize favorable agreements for both parties.
- Kept detailed records of daily activities and communication through an online customer database.

Outback Steakhouse Restaurant

2017-2018

Waitress

Lake Worth, FL

- Exhibited strong multitasking abilities, balancing over 5 tables and orders simultaneously, while delivering prompt service.
- Demonstrated adaptability by quickly learning new menu items and incorporating them into knowledgeable recommendations for guests.
- Handled high-pressure situations with composure, maintaining excellent service standards even during busy shifts.
- Maintained a clean and welcoming dining environment, ensuring a positive guest experience.
- Used cash registers and credit card machines to cash out customers.
